

## Recombinant Mouse Tmprss9 protein

**Cat. No.** Tmprss9-4809M    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                                                    |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Mouse Tmprss9 protein(P69525) was expressed in Mammalian Cells.                                                        |
| <b>Species</b>          | Mouse                                                                                                                              |
| <b>Source</b>           | Mammalian Cells                                                                                                                    |
| <b>Form</b>             | Tris/PBS-based buffer, 6% Trehalose.                                                                                               |
| <b>Purity</b>           | >85% (SDS-PAGE)                                                                                                                    |
| <b>Storage</b>          | Store at -20°C/-80°C upon receipt, aliquoting is necessary for mutiple use. Avoid repeated freeze-thaw cycles.                     |
| <b>Reconstitution</b>   | Please reconstitute protein indeionized sterile water to a concentration of 0.1-1.0 mg/mL. Aliquot for long-term storage at -80°C. |

### GENE INFORMATION

|                        |                                                                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | Tmprss9 transmembrane protease, serine 9 [ Mus musculus ]                                                                                                        |
| <b>Official Symbol</b> | Tmprss9                                                                                                                                                          |
| <b>Synonyms</b>        | TMPRSS9; transmembrane protease, serine 9; transmembrane protease serine 9; polyserase-1; polyserase-I; polyserine protease 1; polyserine protease-1; Serase-1B; |
