

## Recombinant Human SI lysate

Cat. No. SI-0515HL    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                                                       |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Human SI lysate                                                                                                                                           |
| Species          | Human                                                                                                                                                                 |
| Source           | Insect Cells                                                                                                                                                          |
| Form             | Lyophilized powder/frozen liquid                                                                                                                                      |
| Storage          | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 2 to 8°C for one week. Store at -20 to -80°C for twelve months from the date of receipt. |
| Reconstitution   | Reconstitute in sterile water for a stock solution.                                                                                                                   |

### GENE INFORMATION

|                 |                                                                                                                                                                                                      |
|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene Name       | SI sucrase-isomaltase (alpha-glucosidase) [ Homo sapiens ]                                                                                                                                           |
| Official Symbol | SI                                                                                                                                                                                                   |
| Synonyms        | SI; sucrase-isomaltase (alpha-glucosidase); sucrase isomaltase; sucrase-isomaltase, intestinal; Oligosaccharide alpha 1; 6 glucosidase; oligosaccharide alpha-1,6-glucosidase; MGC131621; MGC131622; |
| Gene ID         | 6476                                                                                                                                                                                                 |
