

# Recombinant Human C17orf49 cell lysate

**Cat. No.** C17orf49-213HCL    **Lot. No.** (See product label)

## SPECIFICATION

### Product Overview

|                       |                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Species</b>        | Human                                                                                                     |
| <b>Size</b>           | 100 ul                                                                                                    |
| <b>Storage Buffer</b> | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| <b>Applications</b>   | Western Blot;                                                                                             |

## GENE INFORMATION

|                        |                                                                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | C17orf49 chromosome 17 open reading frame 49 [ Homo sapiens ]                                                                                                            |
| <b>Official Symbol</b> | C17orf49                                                                                                                                                                 |
| <b>Synonyms</b>        | C17ORF49; chromosome 17 open reading frame 49; chromatin complexes subunit BAP18; MGC49942; BPTF-associated protein of 18 kDa; MLL1/MLL complex subunit C17orf49; BAP18; |
| <b>Gene ID</b>         | 124944                                                                                                                                                                   |
| <b>mRNA Refseq</b>     | NM_001142798                                                                                                                                                             |
| <b>Protein Refseq</b>  | NP_001136270                                                                                                                                                             |
