

## Recombinant Human TPPP3 cell lysate

**Cat. No.** TPPP3-343HCL    **Lot. No.** (See product label)

### SPECIFICATION

#### Product Overview

|                       |                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Species</b>        | Human                                                                                                     |
| <b>Size</b>           | 100 ul                                                                                                    |
| <b>Storage Buffer</b> | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| <b>Applications</b>   | Western Blot;                                                                                             |

### GENE INFORMATION

|                        |                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | TPPP3 tubulin polymerization-promoting protein family member 3 [Homo sapiens (human) ]                                   |
| <b>Official Symbol</b> | TPPP3                                                                                                                    |
| <b>Synonyms</b>        | TPPP3; p20; CGI-38; p25gamma; tubulin polymerization-promoting protein family member 3; TPPP/p20; brain specific protein |
| <b>Gene ID</b>         | 51673                                                                                                                    |
| <b>mRNA Refseq</b>     | NM_015964                                                                                                                |
| <b>Protein Refseq</b>  | NP_057048                                                                                                                |
