

# Recombinant Human FAM122A cell lysate

**Cat. No.** FAM122A-583HCL    **Lot. No.** (See product label)

## SPECIFICATION

### Product Overview

|                       |                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Species</b>        | Human                                                                                                     |
| <b>Size</b>           | 100 ul                                                                                                    |
| <b>Storage Buffer</b> | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| <b>Applications</b>   | Western Blot;                                                                                             |

## GENE INFORMATION

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | FAM122A family with sequence similarity 122A [ Homo sapiens ]                                                                   |
| <b>Official Symbol</b> | FAM122A                                                                                                                         |
| <b>Synonyms</b>        | FAM122A; family with sequence similarity 122A; C9orf42, chromosome 9 open reading frame 42; protein FAM122A; MGC17347; C9orf42; |
| <b>Gene ID</b>         | 116224                                                                                                                          |
| <b>mRNA Refseq</b>     | NM_138333                                                                                                                       |
| <b>Protein Refseq</b>  | NP_612206                                                                                                                       |
