

## Recombinant Human RRP12 cell lysate

Cat. No. RRP12-907HCL    Lot. No. (See product label)

### SPECIFICATION

#### Product Overview

|                |                                                                                                           |
|----------------|-----------------------------------------------------------------------------------------------------------|
| Species        | Human                                                                                                     |
| Size           | 100 ul                                                                                                    |
| Storage Buffer | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| Applications   | Western Blot;                                                                                             |

### GENE INFORMATION

|                 |                                                                            |
|-----------------|----------------------------------------------------------------------------|
| Gene Name       | RRP12 ribosomal RNA processing 12 homolog (S. cerevisiae) [ Homo sapiens ] |
| Official Symbol | RRP12                                                                      |
| Synonyms        | KIAA0690                                                                   |
| Gene ID         | 23223                                                                      |
| mRNA Refseq     | NM_001145114                                                               |
| Protein Refseq  | NP_001138586                                                               |
| UniProt ID      | Q5JTH9                                                                     |
