

## Recombinant Human NEDD9 cell lysate

**Cat. No.** NEDD9-1182HCL    **Lot. No.** (See product label)

### SPECIFICATION

#### Product Overview

|                       |                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Species</b>        | Human                                                                                                     |
| <b>Size</b>           | 100 ul                                                                                                    |
| <b>Storage Buffer</b> | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| <b>Applications</b>   | Western Blot;                                                                                             |

### GENE INFORMATION

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | NEDD9 neural precursor cell expressed, developmentally down-regulated 9 [ Homo sapiens ]                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>Official Symbol</b> | NEDD9                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| <b>Synonyms</b>        | NEDD9; neural precursor cell expressed, developmentally down-regulated 9; enhancer of filamentation 1; Cas scaffolding protein family member 2; CAS L; Cas like; CASS2; HEF1; p105; NEDD-9; cas-like docking; Crk-associated substrate related; renal carcinoma antigen NY-REN-12; CRK-associated substrate-related protein; dJ761I2.1 (enhancer of filamentation (HEF1)); dJ49G10.2 (Enhancer of Filamentation 1 (HEF1)); neural precursor cell expressed developmentally down-regulated protein 9; CAS2; CASL; CAS-L; dJ49G10.2; dJ761I2.1; |
