

## Recombinant Human NOL7 cell lysate

**Cat. No.** NOL7-1203HCL    **Lot. No.** (See product label)

### SPECIFICATION

#### Product Overview

|                |                                                                                                           |
|----------------|-----------------------------------------------------------------------------------------------------------|
| Species        | Human                                                                                                     |
| Size           | 100 ul                                                                                                    |
| Storage Buffer | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| Applications   | Western Blot;                                                                                             |

### GENE INFORMATION

|                 |                                                                                                                                                                                           |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene Name       | NOL7 nucleolar protein 7, 27kDa [ Homo sapiens (human) ]                                                                                                                                  |
| Official Symbol | NOL7                                                                                                                                                                                      |
| Synonyms        | NOL7; PQBP3; RARG-1; C6orf90; dJ223E5.2; nucleolar protein 7, 27kDa; nucleolar protein 7; nucleolar protein of 27 kDa; polyglutamine binding protein 3; retinoic acid repressible protein |
| Gene ID         | 51406                                                                                                                                                                                     |
| mRNA Refseq     | NM_016167                                                                                                                                                                                 |
| Protein Refseq  | NP_057251                                                                                                                                                                                 |
