

## Recombinant Human THAP3 cell lysate

Cat. No. THAP3-1772HCL    Lot. No. (See product label)

### SPECIFICATION

#### Product Overview

|                |                                                                                                           |
|----------------|-----------------------------------------------------------------------------------------------------------|
| Species        | Human                                                                                                     |
| Size           | 100 ul                                                                                                    |
| Storage Buffer | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| Applications   | Western Blot;                                                                                             |

### GENE INFORMATION

|                 |                                                                                                            |
|-----------------|------------------------------------------------------------------------------------------------------------|
| Gene Name       | THAP3 THAP domain containing, apoptosis associated protein 3 [ Homo sapiens ]                              |
| Official Symbol | THAP3                                                                                                      |
| Synonyms        | THAP3; THAP domain containing, apoptosis associated protein 3; THAP domain-containing protein 3; MGC33488; |
| Gene ID         | 90326                                                                                                      |
| mRNA Refseq     | NM_001195752                                                                                               |
| Protein Refseq  | NP_001182681                                                                                               |
