

## Recombinant Human ZFP3 cell lysate

Cat. No. ZFP3-1976HCL    Lot. No. (See product label)

### SPECIFICATION

#### Product Overview

|                |                                                                                                           |
|----------------|-----------------------------------------------------------------------------------------------------------|
| Species        | Human                                                                                                     |
| Size           | 100 ul                                                                                                    |
| Storage Buffer | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| Applications   | Western Blot;                                                                                             |

### GENE INFORMATION

|                 |                                                                                                                  |
|-----------------|------------------------------------------------------------------------------------------------------------------|
| Gene Name       | ZFP3 zinc finger protein 3 homolog (mouse) [ Homo sapiens ]                                                      |
| Official Symbol | ZFP3                                                                                                             |
| Synonyms        | ZFP3; zinc finger protein 3 homolog (mouse); zinc finger protein homologous to Zfp 3 in mouse; FLJ30726; ZNF752; |
| Gene ID         | 7537                                                                                                             |
| MIM             | 194480                                                                                                           |
| UniProt ID      | Q96NJ6                                                                                                           |
