

# Recombinant Human ZNF192 cell lysate

**Cat. No.** ZNF192-1993HCL    **Lot. No.** (See product label)

## SPECIFICATION

### Product Overview

|                |                                                                                                           |
|----------------|-----------------------------------------------------------------------------------------------------------|
| Species        | Human                                                                                                     |
| Size           | 100 ul                                                                                                    |
| Storage Buffer | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| Applications   | Western Blot;                                                                                             |

## GENE INFORMATION

|                 |                                                                                                           |
|-----------------|-----------------------------------------------------------------------------------------------------------|
| Gene Name       | ZNF192 zinc finger protein 192 [ Homo sapiens ]                                                           |
| Official Symbol | ZNF192                                                                                                    |
| Synonyms        | ZNF192; zinc finger protein 192; LD5 1; ZKSCAN8; zinc finger protein with KRAB and SCAN domains 8; LD5-1; |
| Gene ID         | 7745                                                                                                      |
| mRNA Refseq     | NM_006298                                                                                                 |
| Protein Refseq  | NP_006289                                                                                                 |
