

# Recombinant Human ZNF44 cell lysate

**Cat. No.** ZNF44-2027HCL    **Lot. No.** (See product label)

## SPECIFICATION

### Product Overview

|                       |                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Species</b>        | Human                                                                                                     |
| <b>Size</b>           | 100 ul                                                                                                    |
| <b>Storage Buffer</b> | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| <b>Applications</b>   | Western Blot;                                                                                             |

## GENE INFORMATION

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | ZNF44 zinc finger protein 44 (KOX 7) [ Homo sapiens ]                                                                                                 |
| <b>Official Symbol</b> | ZNF44                                                                                                                                                 |
| <b>Synonyms</b>        | ZNF44; zinc finger protein 44 (KOX 7); zinc finger protein 44 (KOX 7) , zinc finger protein 55 , zinc finger protein 58 , ZNF55, ZNF58; KOX7; ZNF504; |
| <b>Gene ID</b>         | 7595                                                                                                                                                  |
| <b>MIM</b>             | 194542                                                                                                                                                |
| <b>UniProt ID</b>      | P15621                                                                                                                                                |
