

## Recombinant Human ZNF75A cell lysate

**Cat. No.** ZNF75A-2084HCL    **Lot. No.** (See product label)

### SPECIFICATION

#### Product Overview

|                       |                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Species</b>        | Human                                                                                                     |
| <b>Size</b>           | 100 ul                                                                                                    |
| <b>Storage Buffer</b> | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |
| <b>Applications</b>   | Western Blot;                                                                                             |

### GENE INFORMATION

|                        |                                                                               |
|------------------------|-------------------------------------------------------------------------------|
| <b>Gene Name</b>       | ZNF75A zinc finger protein 75a [ Homo sapiens ]                               |
| <b>Official Symbol</b> | ZNF75A                                                                        |
| <b>Synonyms</b>        | ZNF75A; zinc finger protein 75a; zinc finger protein 75A; FLJ31529; MGC59959; |
| <b>Gene ID</b>         | 7627                                                                          |
| <b>mRNA Refseq</b>     | NM_153028                                                                     |
| <b>Protein Refseq</b>  | NP_694573                                                                     |
| <b>MIM</b>             | 601473                                                                        |

|                        |                                                                       |
|------------------------|-----------------------------------------------------------------------|
| UniProt ID             | Q96N20                                                                |
| Chromosome<br>Location | 16p13.11                                                              |
| Function               | DNA binding; metal ion binding; molecular_function; zinc ion binding; |
