

## Active Human Fibrinogen Reference Standard

**Cat. No.** FGB-13H    **Lot. No.** (See product label)

### SPECIFICATION

#### Product Overview

|                             |                                                                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Species</b>              | Human                                                                                                                                                                 |
| <b>Form</b>                 | Liquid                                                                                                                                                                |
| <b>Bio-activity</b>         | The level of Fibrinogen in the serum was quantified using ELISA.                                                                                                      |
| <b>Usage</b>                | For research use only, not for diagnostic or therapeutic use.                                                                                                         |
| <b>Quality Control Test</b> | Generated from a human serum pool. This lot has been tested by standard laboratory procedures and found to be negative for HIV 1, HIV 2, Hepatitis B and Hepatitis C. |
| <b>Storage</b>              | Stored at -20 °C, 4 °C for less than seven days, frozen for greater than seven days.                                                                                  |
| <b>Concentration</b>        | 10.33 ug/ml                                                                                                                                                           |
| <b>Preservative</b>         | 0.1% sodium azide                                                                                                                                                     |
