

## Recombinant Zebrafish GDI1

Cat. No. GDI1-2787Z Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                  |
|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Zebrafish GDI1 full length or partial length protein was expressed.                                                  |
| Species          | Zebrafish                                                                                                                        |
| Source           | Mammalian Cells                                                                                                                  |
| Form             | Liquid or lyophilized powder                                                                                                     |
| Endotoxin        | < 1.0 eu per µg of the protein as determined by the LAL method.                                                                  |
| Purity           | >80%                                                                                                                             |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications. |
| Storage          | Store it at +4 oC for short term. For long term storage, store it at -20 oC-80 oC.                                               |
| Storage Buffer   | PBS buffer                                                                                                                       |

### GENE INFORMATION

|                 |                                                                               |
|-----------------|-------------------------------------------------------------------------------|
| Gene Name       | <a href="#">gdi1 GDP dissociation inhibitor 1 [ Danio rerio (zebrafish) ]</a> |
| Official Symbol | GDI1                                                                          |
