

## Recombinant Human ASB2 lysate

Cat. No. ASB2-40HCL    Lot. No. (See product label)

### SPECIFICATION

|                     |                                                                                          |
|---------------------|------------------------------------------------------------------------------------------|
| Product Overview    | Over-expression cells lysed in RIPA buffer and lysate supplied in SDS loading buffer     |
| Species             | Human                                                                                    |
| Source              | HEK293                                                                                   |
| Molecular Mass      | 67582.79Da                                                                               |
| Recommended Usage   | WB                                                                                       |
| Storage Instruction | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C. |

### GENE INFORMATION

|                 |                                                                                                                                                                   |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene Name       | ASB2 ankyrin repeat and SOCS box containing 2 [ Homo sapiens ]                                                                                                    |
| Official Symbol | ASB2                                                                                                                                                              |
| Synonyms        | ASB2; ankyrin repeat and SOCS box containing 2; ankyrin repeat and SOCS box protein 2; ASB 2; ankyrin repeat and SOCS box-containing protein 2a; ASB-2; MGC40044; |
| Gene ID         | 51676                                                                                                                                                             |
