

## Recombinant Human FAM131C lysate

Cat. No. FAM131C-258HCL    Lot. No. (See product label)

### SPECIFICATION

|                     |                                                                                          |
|---------------------|------------------------------------------------------------------------------------------|
| Product Overview    | Over-expression cells lysed in RIPA buffer and lysate supplied in SDS loading buffer     |
| Species             | Human                                                                                    |
| Source              | HEK293                                                                                   |
| Molecular Mass      | 30368.59Da                                                                               |
| Recommended Usage   | WB                                                                                       |
| Storage Instruction | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C. |

### GENE INFORMATION

|                 |                                                                                                                                                          |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene Name       | FAM131C family with sequence similarity 131, member C [ Homo sapiens ]                                                                                   |
| Official Symbol | FAM131C                                                                                                                                                  |
| Synonyms        | FAM131C; family with sequence similarity 131, member C; C1orf117, chromosome 1 open reading frame 117; protein FAM131C; FLJ36766; C1orf117; RP11-5P18.9; |
| Gene ID         | 348487                                                                                                                                                   |
| mRNA Refseq     | NM_182623                                                                                                                                                |
