

# Recombinant Human LDLRAD1 lysate

**Cat. No.** LDLRAD1-376HCL    **Lot. No.** (See product label)

## SPECIFICATION

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| <b>Product Overview</b>    | Over-expression cells lysed in RIPA buffer and lysate supplied in SDS loading buffer     |
| <b>Species</b>             | Human                                                                                    |
| <b>Source</b>              | HEK293                                                                                   |
| <b>Molecular Mass</b>      | 25187.03Da                                                                               |
| <b>Recommended Usage</b>   | WB                                                                                       |
| <b>Storage Instruction</b> | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C. |

## GENE INFORMATION

|                        |                                                                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | LDLRAD1 low density lipoprotein receptor class A domain containing 1 [ Homo sapiens ]                                                                                                                |
| <b>Official Symbol</b> | LDLRAD1                                                                                                                                                                                              |
| <b>Synonyms</b>        | LDLRAD1; low density lipoprotein receptor class A domain containing 1; low density lipoprotein receptor A domain containing 1; low-density lipoprotein receptor class A domain-containing protein 1; |
| <b>Gene ID</b>         | 388633                                                                                                                                                                                               |
