

## Recombinant Human USP4

**Cat. No.** USP4-156H    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Human USP4 protein was expressed in insect cells.       |
| <b>Species</b>          | Human                                                               |
| <b>Source</b>           | Insect Cells                                                        |
| <b>Form</b>             | Liquid, 25 mM Tris-HCl, pH 7.5, 150 mM NaCl, 5 mM DTT, 10% glycerol |
| <b>Molecular Mass</b>   | 120 kDa                                                             |
| <b>Storage</b>          | Store at -80°C, avoiding repeated freeze-thaw cycles.               |

### GENE INFORMATION

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | USP4 ubiquitin specific peptidase 4 (proto-oncogene) [ Homo sapiens ]                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Official Symbol</b> | USP4                                                                                                                                                                                                                                                                                                                                                                                                                                         |
