

5-TAMRA cadaverine

Cat. No. DYE-104 Lot. No. (See product label)

SPECIFICATION

Product Overview

Description	5-TAMRA cadaverine is the purified single isomer of 5(6)-TAMRA cadaverine mixture. It is preferred for some complicated biological applications where reproducibility is more critical than material cost since the minor positional difference between 5-isomer and 6-isomer might have biological implications.
