

## Trypan Red Plus \*0.1 M aqueous solution\*

Cat. No. DYE-192    Lot. No. (See product label)

### SPECIFICATION

#### Product Overview

|                |                                                                                               |
|----------------|-----------------------------------------------------------------------------------------------|
| CAS number     | 574-64-1                                                                                      |
| Molecular Mass | 1002.8                                                                                        |
| Formula        | C <sub>32</sub> H <sub>19</sub> N <sub>6</sub> Na <sub>5</sub> O <sub>15</sub> S <sub>5</sub> |
| Ex(nm)         | 534                                                                                           |
| Solvent        | Water                                                                                         |
| Storage        | Store at -20°C in the dark. Dessicated.                                                       |
