

## Recombinant Mouse TRIM9 Protein

Cat. No. TRIM9-17401M    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                  |
|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Mouse TRIM9 full length or partial length protein was expressed.                                                     |
| Species          | Mouse                                                                                                                            |
| Source           | Mammalian Cells                                                                                                                  |
| Form             | Liquid or lyophilized powder                                                                                                     |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                  |
| Purity           | >80%                                                                                                                             |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications. |
| Storage          | Store it at +4 °C for short term. For long term storage, store it at -20 °C-80 °C.                                               |
| Storage Buffer   | PBS buffer                                                                                                                       |
