

## Recombinant Rat CLEC2D2 Protein

Cat. No. CLEC2D2-1439R    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                  |
|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Rat CLEC2D2 full length or partial length protein was expressed.                                                     |
| Species          | Rat                                                                                                                              |
| Source           | Mammalian Cells                                                                                                                  |
| Form             | Liquid or lyophilized powder                                                                                                     |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                  |
