

## Recombinant Human PBRM1 Protein, His-tagged

Cat. No. PBRM1-159H    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                       |
|------------------|-------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Human PBRM1, fused with N-terminal His tag, was expressed in E. coli.                     |
| Species          | Human                                                                                                 |
| Source           | E.coli                                                                                                |
| ProteinLength    | 23-156                                                                                                |
| Form             | 50 mM Tris HCl, pH 7.5, 500 mM NaCl, 1 mM TCEP, 10 % glycerol                                         |
| Molecular Mass   | 18.7 kDa                                                                                              |
| Storage          | Store at -80°C. Thaw quickly and store on ice before use. Avoid repeated freezing and thawing cycles. |

### GENE INFORMATION

|                 |                                                                                                                       |
|-----------------|-----------------------------------------------------------------------------------------------------------------------|
| Gene Name       | PBRM1 polybromo 1 [ Homo sapiens ]                                                                                    |
| Official Symbol | PBRM1                                                                                                                 |
| Synonyms        | PBRM1; polybromo 1; protein polybromo-1; BAF180; PB1; polybromo-1D; BRG1-associated factor 180; MGC156155; MGC156156; |
| Gene ID         | 55193                                                                                                                 |
