

## Recombinant Rhesus monkey CYP2C8 Protein, His-tagged

Cat. No. CYP2C8-1150R    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                  |
|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Rhesus monkey CYP2C8 full length or partial length protein was expressed.                                            |
| Species          | Rhesus macaque                                                                                                                   |
| Source           | Mammalian Cells                                                                                                                  |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                  |
| Purity           | >80%                                                                                                                             |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications. |
| Storage          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                              |
| Storage Buffer   | PBS buffer                                                                                                                       |

### GENE INFORMATION

|                 |                                                                                                        |
|-----------------|--------------------------------------------------------------------------------------------------------|
| Gene Name       | CYP2C8 cytochrome P450, family 2, subfamily C, polypeptide 8 [ <i>Macaca mulatta</i> (Rhesus monkey) ] |
| Official Symbol | CYP2C8                                                                                                 |
