

# Recombinant Rhesus monkey PTEN Protein, His-tagged

**Cat. No.** PTEN-3686R    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                  |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Rhesus monkey PTEN full length or partial length protein was expressed.                                              |
| <b>Species</b>          | Rhesus macaque                                                                                                                   |
| <b>Source</b>           | Mammalian Cells                                                                                                                  |
| <b>Endotoxin</b>        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                  |
| <b>Purity</b>           | >80%                                                                                                                             |
| <b>Notes</b>            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications. |
| <b>Storage</b>          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                              |
| <b>Storage Buffer</b>   | PBS buffer                                                                                                                       |

## GENE INFORMATION

|                        |                                                                                   |
|------------------------|-----------------------------------------------------------------------------------|
| <b>Gene Name</b>       | PTEN phosphatase and tensin homolog [ <i>Macaca mulatta</i> (Rhesus monkey) ]     |
| <b>Official Symbol</b> | PTEN                                                                              |
| <b>Synonyms</b>        | PTEN; phosphatidylinositol-3,4,5-trisphosphate 3-phosphatase and dual-specificity |
