

## Recombinant Rhesus monkey TAS2R39 Protein, His-tagged

Cat. No. TAS2R39-4622R    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                  |
|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Rhesus monkey TAS2R39 full length or partial length protein was expressed.                                           |
| Species          | Rhesus macaque                                                                                                                   |
| Source           | Mammalian Cells                                                                                                                  |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                  |
| Purity           | >80%                                                                                                                             |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications. |
| Storage          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                              |
| Storage Buffer   | PBS buffer                                                                                                                       |

### GENE INFORMATION

|                 |                                                                                     |
|-----------------|-------------------------------------------------------------------------------------|
| Gene Name       | TAS2R39 taste receptor, type 2, member 39 [ <i>Macaca mulatta</i> (Rhesus monkey) ] |
| Official Symbol | TAS2R39                                                                             |
| Synonyms        | TAS2R39; taste receptor type 2 member 39; T2R39; taste receptor T2R39;              |
