

# Recombinant Rhesus monkey ZFAND2B Protein, His-tagged

Cat. No. ZFAND2B-5286R    Lot. No. (See product label)

## SPECIFICATION

|                  |                                                                                                                                  |
|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Rhesus monkey ZFAND2B full length or partial length protein was expressed.                                           |
| Species          | Rhesus macaque                                                                                                                   |
| Source           | Mammalian Cells                                                                                                                  |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                  |
| Purity           | >80%                                                                                                                             |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications. |
| Storage          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                              |
| Storage Buffer   | PBS buffer                                                                                                                       |

## GENE INFORMATION

|                 |                                                                                   |
|-----------------|-----------------------------------------------------------------------------------|
| Gene Name       | ZFAND2B zinc finger, AN1-type domain 2B [ <i>Macaca mulatta</i> (Rhesus monkey) ] |
| Official Symbol | ZFAND2B                                                                           |
| Synonyms        | ZFAND2B; AN1-type zinc finger protein 2B;                                         |
