

# Recombinant Human IVNS1ABP protein, His-tagged

**Cat. No.** IVNS1ABP-63H    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                             |
|-------------------------|-----------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Human IVNS1ABP, fused with N-His tag, was expressed in E. coli. |
| <b>Species</b>          | Human                                                                       |
| <b>Source</b>           | E.coli                                                                      |
| <b>ProteinLength</b>    | 657aa(including fusion tag)                                                 |
| <b>Form</b>             | 20mM Tris.Cl, 50mM NaCl, 50% Glycerol, pH8.0.                               |
| <b>Molecular Mass</b>   | 73.6kDa(including fusion tag)                                               |
| <b>Applications</b>     | WB, ELISA, IP, antibody production, protein array                           |
| <b>Storage</b>          | Store at -80°C and avoid repeated freeze-thaw cycles                        |

## GENE INFORMATION

|                        |                                                                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | IVNS1ABP influenza virus NS1A binding protein [ Homo sapiens ]                                                                                         |
| <b>Official Symbol</b> | IVNS1ABP                                                                                                                                               |
| <b>Synonyms</b>        | IVNS1ABP; HSPC068; KIAA0850; KLHL39; ND1; NS 1; NS1 BP; NS-1; NS1BP; FLARA3; NS1-BP; FLJ10069; FLJ10411; FLJ10962; FLJ35593; FLJ36593; DKFZp686K06216; |
