

## Native Human Complement C3 beta protein

**Cat. No.** C3b-08H    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                                                     |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Native Human Complement C3 beta protein was purified from Human serum.                                                              |
| <b>Species</b>          | Human                                                                                                                               |
| <b>Source</b>           | Human Serum                                                                                                                         |
| <b>Form</b>             | 10 mM sodium phosphate, 145 mM NaCl, pH 7.3                                                                                         |
| <b>Molecular Mass</b>   | 176,000 Da (2 chains)                                                                                                               |
| <b>Purity</b>           | >90% by SDS-PAGE                                                                                                                    |
| <b>Notes</b>            | Normal human serum (shown by certified tests to be negative for HBsAg, HTLV-I/II, STS and for antibodies to HCV, HIV-1 and HIV-II). |
| <b>Storage</b>          | Store at -70 centigrade or below. Avoid freeze/thaw.                                                                                |
| <b>Concentration</b>    | 1.0 mg/mL                                                                                                                           |
| <b>Preservative</b>     | None, 0.22 µm filtered                                                                                                              |
