

# Recombinant H5N8 (A/turkey/Germany-MV/R2472/2014) HA1 Protein, His-tagged

**Cat. No.** HA1-1094I    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                                                                                                                                                                                                                                 |

| <b>Purity</b>           | >95%, based on SDS PAGE                                                                                                                                                                                                                                                                                                                                         |
| <b>Applications</b>     | WB standard, antibody ELISA, etc                                                                                                                                                                                                                                                                                                                                |
| <b>Notes</b>            | For research use only, not for use in diagnostic procedures.                                                                                                                                                                                                                                                                                                    |
| <b>Storage</b>          | Keep it at 4°C if used within a month. For long term storage, split it into small aliquots and keep at -80°C. Avoid repeated freezing and thawing. The product will be expired one year after receiving if stored properly. Non-hazardous.                                                                                                                      |
