

## Recombinant Human EIF4A1 protein, MYC/DDK-tagged

Cat. No. EIF4A1-24H    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                        |
|------------------|----------------------------------------------------------------------------------------|
| Product Overview | Recombinant Human EIF4A1 fused with MYC/DDK tag at C-terminal was expressed in HEK293. |
| Species          | Human                                                                                  |
| Source           | HEK293                                                                                 |
| Form             | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol.                                  |
| Molecular Mass   | 46 kDa                                                                                 |
| Purity           | > 80% as determined by SDS-PAGE and Coomassie blue staining                            |
| Concentration    | >50 ug/mL as determined by microplate BCA method                                       |

### GENE INFORMATION

|                 |                                                                                                                                                                                                                                                                                                                                        |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene Name       | EIF4A1 eukaryotic translation initiation factor 4A1 [ Homo sapiens ]                                                                                                                                                                                                                                                                   |
| Official Symbol | EIF4A1                                                                                                                                                                                                                                                                                                                                 |
