

# Recombinant Rubella Nucleocapsid Protein

**Cat. No.** N-304V    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                    |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Rubella Nucleocapsid Protein was produced in E. coli.                                                                                  |
| <b>Species</b>          | RUBV                                                                                                                                               |
| <b>Source</b>           | E.coli                                                                                                                                             |
| <b>Form</b>             | PBS buffer.                                                                                                                                        |
| <b>Applications</b>     | Antigens, Infectious Disease                                                                                                                       |
| <b>Stability</b>        | The product will be expired one year after receiving if stored properly.                                                                           |
| <b>Storage</b>          | Keep it at 4°C if used within a month. For long term storage, split it into small aliquots and keep at -80°C. Avoid repeated freezing and thawing. |
| <b>Concentration</b>    | 0.1 - 1.0 mg/ml by Bradford method.                                                                                                                |
| <b>Warning</b>          | For research use only, not for use in diagnostic procedures.                                                                                       |
