

# Recombinant JEV NS1 + V5 Protein, His-tagged

**Cat. No.** NS1-362V    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                    |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant JEV NS1 + V5 Protein (Genebank No. NC_001437), fused with C-terminal 6xHis tag, was produced in HEK293.                                |
| <b>Species</b>          | JEV                                                                                                                                                |
| <b>Source</b>           | HEK293                                                                                                                                             |
| <b>Form</b>             | Each vial contains 100 ug of purified protein (1 mg/ml) in PBS.                                                                                    |
| <b>Purity</b>           | >95%, based on SDS PAGE.                                                                                                                           |
| <b>Applications</b>     | WB standard, antibody ELISA, vaccine, etc                                                                                                          |
| <b>Stability</b>        | The product will be expired one year after receiving if stored properly.                                                                           |
| <b>Storage</b>          | Keep it at 4°C if used within a month. For long term storage, split it into small aliquots and keep at -80°C. Avoid repeated freezing and thawing. |
| <b>Warning</b>          | For research use only, not for use in diagnostic procedures.                                                                                       |
