

## Recombinant Streptomyces coelicolor A3(2) SCO5563 protein, His-tagged

Cat. No. SCO5563-1067S    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                  |
|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Streptomyces coelicolor A3(2) SCO5563 full length or partial length protein was expressed.                           |
| Species          | Streptomyces coelicolor A3(2)                                                                                                    |
| Source           | E.Coli/Yeast                                                                                                                     |
| Form             | Liquid or lyophilized powder                                                                                                     |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                  |
| Purity           | > 80% by SDS-PAGE                                                                                                                |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications. |
| Storage          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                              |
| Storage buffer   | PBS buffer                                                                                                                       |

### GENE INFORMATION

|           |                                                                         |
|-----------|-------------------------------------------------------------------------|
| Gene Name | SCO5563 phosphomethylpyrimidine kinase [ Streptomyces coelicolor A3(2)] |
