

## Recombinant Staphylococcus capitis (strain: FDAARGOS\_173, nat-host: Homo sapiens, culture-collection: FDA:FDAARGOS\_173) AL529\_RS11715 protein, His-tagged

Cat. No. AL529-RS11715-0048S    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                                                                            |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Staphylococcus capitis (strain: FDAARGOS_173, nat-host: Homo sapiens, culture-collection: FDA:FDAARGOS_173) AL529_RS11715 full length or partial length protein was expressed. |
| Species          | Staphylococcus                                                                                                                                                                             |
| Source           | E.Coli/Yeast                                                                                                                                                                               |
| Form             | Liquid or lyophilized powder                                                                                                                                                               |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                                                                            |
| Purity           | > 80% by SDS-PAGE                                                                                                                                                                          |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications.                                                           |
| Storage          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                                                                                        |
| Storage buffer   | PBS buffer                                                                                                                                                                                 |
