

## Recombinant Staphylococcus aureus (strain: MS4, nat-host: Homo sapiens) UREE protein, His-tagged

Cat. No. UREE-0939S    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                   |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Staphylococcus aureus (strain: MS4, nat-host: Homo sapiens) UREE full length or partial length protein was expressed. |
| Species          | Staphylococcus                                                                                                                    |
| Source           | E.Coli/Yeast                                                                                                                      |
| Form             | Liquid or lyophilized powder                                                                                                      |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                   |
| Purity           | > 80% by SDS-PAGE                                                                                                                 |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications.  |
| Storage          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                               |
| Storage buffer   | PBS buffer                                                                                                                        |

### GENE INFORMATION

|           |                                                              |
|-----------|--------------------------------------------------------------|
| Gene Name | ureE urease accessory protein UreE [ Staphylococcus aureus ] |
|-----------|--------------------------------------------------------------|
