

## Recombinant *Staphylococcus xylosus* (strain: HKUOPL8) BE24\_RS00145 protein, His-tagged

Cat. No. BE24-RS00145-1316S    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                  |
|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant <i>Staphylococcus xylosus</i> (strain: HKUOPL8) BE24_RS00145 full length or partial length protein was expressed.    |
| Species          | <i>Staphylococcus</i>                                                                                                            |
| Source           | E.Coli/Yeast                                                                                                                     |
| Form             | Liquid or lyophilized powder                                                                                                     |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                  |
| Purity           | > 80% by SDS-PAGE                                                                                                                |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications. |
| Storage          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                              |
| Storage buffer   | PBS buffer                                                                                                                       |

### GENE INFORMATION

|           |                                                                         |
|-----------|-------------------------------------------------------------------------|
| Gene Name | BE24_RS00145 30S ribosomal protein S7 [ <i>Staphylococcus xylosus</i> ] |
