

SAFETY DATA SHEET

Recombinant Human HLA-A&B2M protein, His-Avi-tagged

For research use only

1. Identification of the Substance/preparation and of the company/undertaking

- (1

- (3) Skin contact: In case of contact, immediately flush skin with plenty of water. Remove contaminated clothing and shoes. Wash clothing before reuse. Thoroughly clean shoes before reuse. Get medical attention.
- (4) Eye contact: Check for and remove any contact lenses. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention.
- (5) Aggravating conditions : Repeated or prolonged exposure is not known to aggravate medical condition.

5. First Aid Measures

Respiratory protection: Required when vapors/aerosols are generated.

Ventilation: Use in well-ventilated laboratory.

Other protective equipment: Use lab coat or apron to prevent contact with eyes, skin and clothing.

9. Physical and Chemical Properties

(1) Information on basic physical and chemical properties

11. Toxicological Information

Quantitative data on the toxicity of this product is not available. No toxic effects are to be expected when the product is handled appropriately.

12. Ecological Information

- (1) Toxicity: no data available
- (2) Persistence and degradability: no data available
- (3) Bioaccumulative potential: no data available
- (4) Mobility in soil: no data
